THE WEEK IN SCIENCE: THEORIES OF THE EUGENISTS; A Discus of Race and Nationality -- Cellophane Balloons for Research

[THE WEEK IN SCIENCE: THEORIES OF THE EUGENISTS; A Discus of Race and Nationality -- Cellophane Balloons for Research](#)

EUGENICS is likely to fall into disrepute if social reformers persist in using it to justify ancestor worship and race prejudice and to obstruct anthropological, and even social, progress. Unless the geneticists take it in hand and curb the 100-
